

New Council at GSO

A five person council has been established in Haiti, for the purpose of providing leadership at GSO. This council was chosen by our beloved Papa Cassy to replace himself, before he went to his eternal home. The council will provide a seamless transition of management in order to effectively continue the work that Papa Cassy began so many years ago. The names of the council are as follows:

- Rev. Lucien Beauvoir, President of the Mission Work; Senior Pastor of the church
- Rev. Robert Raphael, Vice President of the Mission Work; Superintendent of the Schools
- Rev Saint Juste Mervil, Treasurer; Director of Good Shepherd Orphanage
- Mona Cornet, Secretary; Outreach Director
- Crispin Gabriel, Counsel Member; Technical Adviser

We give thanks to God for this group of godly people that all have a heart for GSO. We believe God will use them all mightily for His glory in this mission.
